Homework Helper Conduct Agreement

I acknowledge that, as a homework helper, I am making a big difference in the lives of the children in my community, and that this is a great responsibility.

In order to do this, I agree to show up on time to every homework shift, unless I let the library know in advance that I can't make it due to illness or unforeseen events (such as a lack of transportation, or important school commitments.)

While on duty, I will spend my time enriching minds, and will put away all other distractions such as cell phones, video gaming, or social visits.

I understand that if I don't follow this agreement, I will no longer be a part of this program.
